If you have just lost a loved one, we will do our best to guide you and your family & friends through this difficult time and will endeavour to help you celebrate the life of this person in a meaningful way. You don't have to be religious or a churchgoer to have a Church of England funeral – it is open to all.

A funeral will be led by one of the clergy in church, in a churchyard, by a graveside, or at a crematorium. They will be there to support you every step of the way.

The cost of the funeral depends on the type of funeral and where you have it. We are able to facilitate tea & coffee for your guests, as well as quote for any production & live streaming requirements you may have.

After the funeral we can continue to provide pastoral support to you through prayer ministry and small groups.

When you are ready, please email office@christchurchw4.com or ask the funeral director to get in touch with us on your behalf.
